

# ADVANTAGES OF SKINTITE®

## WHY CHOOSE VACUUM SKIN PACKAGING?

### CUT DISTRIBUTIONS COSTS BY

**40%** 

To ship the same numbers of kilos of meat packed in skin vs. MAP, you need fewer pallets and trucks.

### LONGER SHELF LIFE VS. MAP

**+20%**  
INCREASE

With a longer display shelf life, vacuum packaging minimizes food loss.

### OUTSTANDING PRESENTATION

**NO  
DRIP**

Vacuum skin packaging eliminates drip loss for better visual appearance in retailer shelves compared to MAP.

### LESS MATERIAL

**-15%**  
WEIGHT

SkinTite® high performance skin films have been engineered to allow for light weighting. Less material for uncompromised safety, productivity, and presentation.
